

## **Is a career in accounting for you?**

### **AAT - Accounts and Audit Trainee – 2020 Intake Blackpool Practice**

Would you like to get relevant on the job experience while you study for a recognised qualification, then starting your career with our trainee programme is a good option.

We are looking to recruit an ambitious, hard working individual to start their career as a Trainee Accountant within our Blackpool practice.

Champion's wide range of clients means that our trainees benefit from working with an interesting mix of industries, types of business and size, and they gain a wide range of experience across audit and accountancy.

You will have a strong academic background, educated to A Level standard and display a keen interest and aptitude for accounting. With Champion you will initially study the AAT standards and be supported right through the ACCA exams to gain professional status, all with the added bonus of no student debt.

Alongside your keen interest in accounting, to succeed in this role you must also have the ability to communicate well at all levels, be computer literate and demonstrate good team working skills.

You will be part of a team working on accounts preparation and audit assignments with a range of clients and we will make sure that you have the right experience, personal development and training to make your career stimulating and rewarding. We will balance your practical experience to reinforce your professional training to help you achieve your qualification.

Alongside the full study support package we offer a competitive salary and other benefits in supportive environment where you will learn from other team members. You will be working 35 hours per week and study for the AAT standards will be on an evening basis at a local college. After the completion of AAT standards, the ACCA qualification consists of block booking courses which run through your working day.
